

# Athens & Central Greece

WINTER EXCURSION | 19TH - 29TH MARCH 2026

The Winter Term 2025–2026 excursion will take us to Athens and Central Greece. The program will include visits to major archaeological sites and museums of the Archaic, Classical, and Roman periods in Athens, as well as excursions to nearby sites such as Ancient Corinth and other locations along the Gulf of Corinth, extending westward to Patras.

Travel and accommodation will be arranged by the Institute. Participants will be asked to contribute 30% of the total cost of the excursion (approximately €350 per person, subject to final booking costs).

If you are willing to participate, please register **by 27th February** in Mrs Petra Gehr's office.
